This inspiring and informational day of worship and conversation will help us connect with others in youth and young adult ministry, identify exciting resources that can help your church, and discern God's call to our conference for youth and young adult ministry. Lunch will be provided.

Come if your church...

- wonders how to start a youth or young adult ministry
- wants to see its small youth or young adult program grow and thrive
- is ready for its long standing tradition of youth or young adult ministry to be transformed

**Please RSVP to Joy Davis by calling the NCNC UCC Conference Office at
510-247-8995 or emailing her at joy@ncnccucc.org.**
